Dear Bret,

Congratulations on an outstanding performance this past year! Your impressive production has qualified you as a 2014 CoStar Power Broker Award winner for **Top Industrial Leasing Broker** in the Boston market.

Your winning performance is based on your overall leasing transaction volume for 2014 as reported to CoStar and measured against all the commercial real estate brokers active in your region. As the largest research organization serving commercial real estate, CoStar is pleased to independently confirm and recognize the most active firms and individual dealmakers in the industry each year with this prestigious award.

A CoStar Account Executive will be in contact soon to arrange a time to personally present your CoStar Power Broker Award and your name will be displayed on the Costar Power Broker website at www.CoStarPowerBrokers.com with the other award winners in your market.

In recognition of your accomplishment and to denote your position among the elite in the industry, you are also entitled to place a special 2014 CoStar Power Broker **logo on your website, emails and marketing materials**. You can also spread the word about your elite status to clients, colleagues and prospects by downloading our Top Broker Award **press release template**, filling in the appropriate information and sending it to your local media.
