2016 Top Broker Award

Commercial Real Estate's Leading Independent Information Provider Recognizes Market's Top Leasing and Sales Brokers

Greater Boston Commercial Properties, Inc. is pleased to announce that Bret O'Brien has been named a 2016 CoStar Power Broker by CoStar Group, Inc., commercial real estate's leading provider of information, analytics and marketplaces. This annual industry award recognizes distinguished professionals in commercial real estate brokerage by highlighting the achievements of the individual brokers who closed the highest transaction volumes in commercial property sales or leases in 2016 within their respective markets.

With the largest professional research organization serving the commercial real estate industry, CoStar is uniquely positioned to identify the top firms and brokers in each market throughout the U.S. All awards are based on transaction data maintained in CoStar's commercial real estate database, which is the largest independently researched database of commercial real estate property information available online.

O'Brien qualified as one of the top commercial brokers in the Industrial market based on the total leased transactions he closed during the year. In order to be selected for this honor, O'Brien's overall transaction volumes were evaluated against other commercial real estate brokers active in Massachusetts by CoStar Group, and subsequently ranked among the top brokers in the market.
