## Hopkinton Tech Park leases out 57K sq. ft.

COURTESY GREATER BOSTON COMMERCIAL PROPERTIES  
The majority of the leases were for laboratory space.

**SAM BONACCI**  
A leasing spree has eaten up the majority of available space in the Hopkinton Technology Park, ushering in heavy hitters such as Spring Bank Pharmaceuticals, according to Greater Boston Commercial Properties.

The leases were completed over the last four months, with almost half of them going to biotech and chemistry companies for laboratory space.

The majority of the space, 34,763 square feet, represented new leases

in the park with the largest new tenant being Spring Bank Pharmaceuticals but also being joined by EMC, Boston Rustic Weddings and Rimkus Consulting.

The remaining 22,000 square feet were existing tenant extensions.

The leases were completed by Bret O'Brien, president of Greater Boston Commercial Properties, Inc.
