

O'Brien of Greater Boston Commercial Properties completes 12,432 s/f lease for Webco Engineering, tenant

Bret O'Brien of Greater Boston Commercial Properties recently completed a 12,432 s/f lease extension at 155 Northboro Rd. O'Brien represented the tenant Webco Engineering while working directly with the landlord The Maggiore Companies. The premises consists of 3,000 s/f of office and engineering space, and the balance is 18' clear manufacturing area.

serviced by both a tailboard loading dock and grade level overhead drive in door.

Webco Engineering manufactures large custom equipment for the paper industry that is assembled on site with a bridge crane and delivered worldwide.

155 Northboro Road - Southborough, MA
